Literacy Volunteers strengthens our community by providing free English language tutoring to Bangor area adults.

*Improve literacy. Change lives.*

*Thank you for contributing to our amazing year!*

Last year, we served a record number of adult students (324) and raised more support than ever before.

But here's a record we want to reverse: we have more adults than ever waiting for a literacy tutor to help change their lives.

Your support helps us recruit and involve both new students and volunteer tutors. Roughly \$500 a year is needed to positively impact the direction of a person's life with improved literacy.

And when that happens, our community benefits.

Soon you'll receive our Holiday Appeal. We ask that you give generously so we can help those who are waiting.

Thank YOU for all you do!
